

## Business Degree Plan Requirement Term Change

Recently, changes were made to the course requirements in the BS in Business major. These new requirements are **only** effective for students admitted to Penn State in summer 2024 or after. Students admitted to the university prior to summer 2024 may choose to opt in to these new requirements after consultation with their academic adviser.

The new curriculum can be viewed at:

BSBUC\_BS: [BSBUC\\_BS University College Curriculum & Info](#)

BSBIC\_BS: [BSBIC\\_BS Intercollege World Campus Curriculum & Info](#)

If you desire to explore this option, your first step is to run a “what if” audit in LionPATH and meet with your academic adviser to discuss how these changes would impact your progress to graduation. Then, if you and your adviser believe this change is in your best interest, you must complete the information below, sign the form, and submit it to your adviser for their signature. Your adviser will submit the form to the University College records office and once approved, your academic requirements for graduation will change.

### Request to opt in to the newly revised Business curriculum effective Summer 2024:

Please read each statement carefully:	Sign/initial indicating your agreement:
I am a student in the Business major (BSBUC_BS or BSBIC_BS) with a subplan (option) chosen via LionPATH.	
I understand that opting in to the new curriculum will change some of my degree requirements & possibly general education.	
I have consulted with my academic adviser to understand how these changes will affect my degree progress.
